Hair (Leslie Patricelli Board Books)

Synopsis

Is Baby really ready for that first haircut? With the usual panache, Leslie Patricelli's one-haired wonder leads the way into another new experience. It's important to take care of your hair, even if you only have one! As Baby can tell you, that hair gets washed when it's dirty and brushed when it looks messy. But when it grows and grows, there's only one thing to do. This funny and reassuring look at a toddler rite of passage is ideal for little readers—especially those with a tiny bit of trepidation about that first haircut.
