## Customer Reviews

The pictures are cute but I didn't pay attention to the dimensions. It is not full size and is a very small calendar. It does not give a preview of the next month. For example if you have the page on February then there is no small box showing the dates for the previous months in January or the following month of March. If I knew the calendar was this small I would not have ordered it.

This calendar is fun, colorful, cheerful, and filled with words of inspiration and wisdom. Just the right size for a smaller space. Have bought Deborah Mori's calendars in the past and look forward to purchasing her future calendars.

Adorable images, and just the right size. I love this calendar!

VERY CUTE!

Everything I expected. Perfect size. Vivid. Inspirational. Would Recommend.
