Customer Reviews

Great pics. I'm glad the cover photo is the same as the one advertised. It's probably my favorite out of all them. There's no Castiel.

This is a 2013 calendar, but all the photos are old ones. The guys don't even look like this anymore. Also, as noted by others, it doesn't include more recent primary characters.

I was a little disappointed that it was pictures with only dean and sam. Had hoped for some angels and demons aswell. It's cool that the pictures are as big as they are and the quality is also very good. Each date have a little box so there's room to write in. That's cool, but it would be great with a little more room each day...

I have recently become a fan of this show. I got the calendar and I think all the pictures are great.

You cannot please everybody, but I will take pictures of the both of them from any season. The camera likes both of them and it gives something for us ladies to look at every month, so if that makes me shallow then so be it. Man candy is man candy and these two qualify for that and more. They are superb actors and that is a given, it is just nice to have hot guys to look at and fully clothed too. It wasn't super expensive either, which it could have been. I would recommend this calendar to anyone who is a fan of the show.

I was disappointed with many of the pictures, which look like screen shots from the TV show, but not super clear, some are kinda blurry. I felt it looked like it was thrown together quickly... some of the shots are not that great.

This is a very good calendar. Dean and Sam are just gorgeous in it. It is awesome to look at their faces everyday. I'm a huge Jensen Ackles fan so I cannot resist anything with him in it. Love Supernatural. It is my all time favorite show!

Love this calendar, been using these for years. Love to see the boys on the daily! The pictures are great and the dates are labeled appropriately as you would expect.

I love the Supernatural calendar. My husband got it for me as a birthday present and I am so thrilled! I love the show and the calendar is great quality.
