Fantastic images and thought-provoking scripture passages. The added graphics are a bit cheesy - would prefer to see the calendar portion done in a simple black and white rather than orange and purple. Holidays are noted for US, UK, Canada, Australia and New Zealand. Will definitely watch for this calendar again for 2017.

Great calendar...love the different views and added biblical verses... really gives a sense of how just amazing and vast the universe is... the boxes for days have white background and are big enough to make small notes for that day... all in all very nice calendar... looks great on my wall... )

Received it in a timely manner. Photographs are beautiful with inspirational scriptures . Very pleased!

So beautiful, great item
