Hafiz 2014 Wall Calendar

Synopsis

The poems of Hafiz, the esteemed fourteenth-century Sufi poet, are among the timeless treasures of world literature. In his native Persia modern Iran Hafiz is as alive and accessible today as he was to his contemporaries. Rather than being seen as stuffy classical literature from the remote past, his work is cherished as wisdom from a dear and intimate friend. His ecstatic love songs celebrate the beauty of the Beloved and playfully illuminate the sacredness of the world. These modern versions, from *A Year With Hafiz: Daily Contemplations* by Daniel Ladinsky, bring to life all the tenderness, wit and lyrical beauty of the original verses. The poetry is paired with stunning collage artwork by Silas Toball of Duirwaigh Studios, whose lush imagery and rich color palette are inspired by the venerable tradition of Persian-miniatures, but with a decidedly contemporary touch. The Hafiz wall calendar is a jewel box of beauty and inspiration, honoring the relevance and reach of this ageless poet.

This is a beautiful calendar with wonderful thought-provoking poetry. I honestly didn't know who Hafiz was before buying the calendar, but I know now and I'm hooked! I was showing it off to my friends and one of them just had to have one, so I gave it to her and quickly ordered another one for me :) Truly beautiful. I can't wait to use some of the pictures in my home when the year is over.

This is a lovely calendar for those who love the writings of Hafiz. I bought two copies - one for myself & one for a friend who likes his writings. The art is stunning & the quotes chosen are good for reflection.

Other calendars I bought as gifts for others. Hafiz I acquired for myself:-)... Essentially, I am in love with Hafiz... His wisdom is jubilantâ | And actually Ecstatic!!! It fully describes his personal understanding and relationship with The Divine... It both affirms and inspires further my personal connection with THE Divine as well as the Divine within me!! Reading Hafiz is a part of my every day spiritual rituals!

My favorite quote on this calendar is "Do what most enables you to fly and brings a feeling to the heart that makes you glad to be alive" by Hafiz. Simply reading the poetry and looking at the pictures is inspiring. It's great to have that inspiration each time one looks at a calendar. Also it is a great gift. Whoever it is given to, will probably feel loved every time they look at this calendar. Good quality paper and printing.

I love the images and the selections from Rumi. The calendar also doesn't hold back on international holidays and other helpful indicators (Daylight Savings, etc.) Very nicely done!

I bought this as a gift for a friend who appreciates the wisdom of Hafiz. The artwork is a lovely accompaniment to his words. I highly recommend it, wish I'd bought one for me, too!
