I am in love with this book. I saw it at a children's museum and had to have it. My son loves the turning wheels on the different pages. I love the story, and all of the bright colors. This would make an excellent addition to your toddler's/preschooler's library.

I bought my son this book in Finland when I was working, and it was in Finnish. He tore it up and I was happy to see that they had this in English because 1) he loves this book, and 2) I couldn't read Finnish. Such a cute book

My daughter loves this book! I love that it's interactive, colorful, and fun to read.

Great book - I love the color wheel and the changing colors! Very sturdy.
