Customer Reviews

Just like it says in the label, this is for kids that read with help. The story is one that interests my son and after reading the book together a few times he can read it by himself because he is familiar with the story. Many pages only have a few lines. The stickers at the end are a nice touch that each parent can decide how to use. As far as I know there are only two TMNT titles published by random house on level 2. We have both of them and I would buy more if available. Some parents may wonder if the book is violent or scary. This book has pictures of the Kraang, brain-like aliens that inhabit robots. There's fighting with the turtle weapons and two guys mutate into fairly ugly villains. I did not see any blood or killing. This is a good versus bad kind of plot.

I have two boys, 3 and 5 years old. Have done book time every night before bed starting around 16 months old with both. My older son is now starting to veer away from books at night, loses interest. He's building his reading abilities now, so needed to think of something to do to regain his interest, so he could continue to recognize words. They both love TMNT, so I ordered this book and a few others. It worked! He loves this book, the content was age appropriate as the excitement and illustrations held his attention and encourage him to ask questions and learn. Very pleased with seller and product!

We gave this to our 5 year old Grandson for his birthday. He loved the story and it had just enough words to challenge his beginner reading skills.

My son loves TMNT so of course when he reviewed this book reading time was no longer a struggle. It also has a decent storyline

Can't beat a good ninja turtles book. With a low reading level, this one is easy for my 3yr old to comprehend too.

Great book for a child that's into Teenage Mutant Ninja Turtles and learning to read this is a level 2 book.

Great Book! My 6 year old loves TMNT so what better than a TMNT early reader book.

I bought this as a gift for my 3 year old nephew and he loved it!
