Customer Reviews

My son LOVES this book! He's really into animals, especially reptiles. He's probably read this book front to back a dozen times already. Now he's constantly telling me facts about different reptiles. I highly recommend this book to anyone that has children interested in reptiles!

OMG, yikes!!! I am glad my kids like creepy crawly things, because they will love this book! The pictures of the reptile pals are completely jumping off the page....vivid detail and clear and concise information all all sorts of reptile friends...snakes, lizards, turtles and tortoises, crocodiles and MORE!!! I cannot wait for my kids to read and discover this book! They will be hooked by the first page that features an introduction to reptiles! 5 stars

best book ever made**(except captain underpants)

Great set. My 5 year old knows so much about reptiles now! Well written; it doesn't dumb things down too much. Accurate scientific information.

Great book filled with photos and facts. My son loves it.
