Very cute and creative book. I appreciate that the text is a bit longer than many board books out there. The peek a boo animals which are folded into the book are really fun for baby. This is a neat way to learn more about animals. I also love Joyce Wan's art.

Peek-a-Boo Zoo is a delightful, interactive board book. Every other page has a cute four-line poem describing a certain animal and the following page reveals an animal covering its eyes until the child opens the flap and the animal is fully revealed ("Peek-a-boo!"). It's a great way for children to hear the characteristics of an animal ("brown fuzzy fur" or "big and gray"), challenge the child to guess what animal it could be, and surprise them with a beautifully drawn revelation. My 3 year-old loves to hold the book while I read it to her and open the peek-a-boo flaps. The colors, pictures, and interactive nature would appeal to toddlers of all ages.

Nicely done peekaboo book with adorable illustrations. Each page has a cute little rhymes to describe each animal. You'll find a bear, a monkey, a lion, a penguin, a hippo, a tiger, and fox.

This book is abosolutely adorable, highly recommended for all your little loved ones!

Great gift as a reminder of San Diego Zoo visit.
