Customer Reviews

Durable and perfect for any Peppa Pig fan. That being said most people buying board books are purchasing them for little ones (toddlers) and this book was a bit wordy for toddlers. Of course you can always shorten it as you read to little ones with a short attention span.

Our two-year-old nephew is a huge fan of Peppa Pig and didn't have any Peppa Pig books so we bought him a couple for his birthday. I always like to have some good bedtime books for my kids and figured this would be a great book to add to our nephew's collection. Before I mailed it, I took a look through the book just to see what it is about since my kids and I have never seen the show. The story tells about how Mummy and Daddy Pig are going out for the night after dinner so Granny and Grandpa Pig come over to watch Peppa and George. Like all kids, the little pigs don't want to go to bed. Good Night, Peppa is a cute bedtime story and would be great for your little one's bedtime story collection. It has nice, thick board book pages and bright, colorful pictures. I was told

our nephew loves his book which makes me extremely happy! I highly recommend this book to anyone with a Peppa Pig fan!

Like all things "Peppa Pig", my 16 month old granddaughter loves these books. She looks at the pictures and points to her favorite characters and enjoys having them read to her over and over. The book was shipped quickly and was priced right. It's difficult to find "Peppa Pig" items in USA stores because it seems that everything Peppa is made in England and you have to find them online. I like these books so much I bought 10 different books, all published by Scholastic. You can't beat the prices here on for these books.

My daughter who is 2.5 LOVES Peppa Pig. Every night before bed we have to read this. I do agree with other reviewers that it is a little wordy for kids my daughter's age. I tend to rush through it a little because she gets antsy by the end.

Peppa is one of my great favorites and I am a very old child! I love to read the Peppa books to my great-grandchildren. They like her a lot, too. This particular Peppa story is a really good night time story. The illustrations are great and the story is really good. Peppa is a big hit in my family. I recommend this book highly as a night time read especially. Hooray for Peppa. Keep them coming!

Best read at bedtime, sometimes helps to try accent of Daddy Pig. Granddaughter loves it.

My 2 year old has a new favorite bedtime book.

My granddaughter loves her Peppa books.
