My favorite as a little girl, then when my kids were young I read it to them too..such a classic adorable story.! Recently read it to kindergarteners where I volunteer and they loved it too! This story never goes out of style!

I liked this book because it has such nice illustrations, and it teaches a lesson at the same time. I find that is the case in most of those books. They are entertaining and educational. And Peter Rabbit is perfect for this time of the year ... Easter.

Great book!! Exactly like I remember as a child. I bought this for my 3 year old granddaughter for Christmas and I can't wait to see her face!! She absolutely loves books!!

I had to order something for \$2 or so in order to get free shipping and this is what I chose. It is soooo cute and my kids love it. Obviously worth the price. :)

This book was more than slightly used. The outside covers were dirty and it was colored in on the inside. Extremely disappointed about the dirty outside!

This book does appear to be new but the cover and back are warped down through the middle so it does not open cleanly or lay flat.

I love sharing this book with my grand kids. It provides an interesting story of right and wrong with consequences.

This was one of the new mommy presents for our newest grandchild. It will be awhile before it will be read aloud
