Customer Reviews

I loved the Little Puppy and Little Giraffe Books in this series, but little crab story was disappointing. I realize it's a kids book, so I'm not expecting a riveting story line, but my baby really seems to like the other books better and they have a cute story. Get Little Puppy or Little Giraffe instead.

This funny little book makes an adorable gift. It is one of a series-there are ducks, fish, etc. Every parent that has seen it at my house asked where to find it. I think parents like it more than the kids! It is a very short book but takes longer to read when your tot won't let go of the puppet! Super cute and a great price on compared to locally.

Mu 2 year old son loves it. He even cuddles with the crab. I'm thinking cuz he loves the color red

because of elmo perhaps. However this is the great book with the great story. This book was a must have. The 8 legged crab story was cute n fantastic.

I bought this book to bring on a 5 hour flight with my 6 month old. He loves to grab at the little finger puppet and it keeps him more engaged than a regular old board book. It's cute and small enough to keep in your diaper bag. I'd buy more.

adorable little book!ordered a couple to bring with us a gifts when we road-tripped to see family this summer. This book along with some Old Bay Tee-shirts and mallets made a cute hostess gift.

Purchased the Little Lamb when our son was 3, and we just bought 4 more for our 1.5 yr old daughter. She loves these also. Simple, rhyming, and cute puppets. Very sturdy THICK pages.

My grandson loves this little book. The bright red finger puppet is his favorite. The board book is easy for him to handle and turn the pages. Just his size!

These are great for my 2 & 3 yr olds. We take them with us in the diaper bag as restaurant entertainment. We own about 8 of this series and continue to use them.
