The Brave Kitten (Pet Rescue Adventures)

Synopsis

Helena loves helping out at the animal hospital where her cousin Lucy works. One day, the girls find a young cat that has been injured by a car. Helena helps to care for the cat she names Caramel, but when it's time for him to go home, Caramel's owner can't be found. Caramel doesn't want to be kept at the animal hospital, and he especially doesn't like the scratchy cast on his leg. But if no one comes forward to claim him, how will he ever have a place to call home?

Customer Reviews

My 7 year old does not enjoy reading so when she came home from school requesting Holly Webb books, I was more than happy to oblige her. She got this book in quickly and read it right away and even asked to bring it to school to read with her class. What's better than that?

Cute book but much like the others. Also if choosing this for a kids reading program, be advised this will not count as an AR reading book and is not worth any points.
