## Customer Reviews

Classic! As always, wonderful Scarry artwork, creative modes of transportation and Goldbug. The kids enjoy seeing the usual characters like Bananas Gorilla. We have the other transportation board books in this series. Get them all! Our toddlers love them all!

Cute book! Scant on narrative, so best for young toddler ages.

My son (5) loves boats and enjoys this book.

Great content for little kids (particularly those who already love Richard Scarry). The size is perfect. The pages are heavy duty.

We got Richard Scarry books for our daughter and now for her son. We've never been

disappointed.
