Hide & Speak Italian (Hide & Speak (Barrons))

Synopsis

This language teaching picture book for boys and girls uses a proven method to teach Italian vocabulary to English-speaking children. Kids can open the book to any right-hand page and they will see two vertical columns. The column at left shows pictures; the right-hand column is a word list in Italian--a label for each picture. After studying the page and pronouncing the words out loud several times, kids cover the pictures with the book's front-cover flap and recite each word as they try to recall its picture. Next, they uncover the pictures, but cover the word list, using the book's back cover flap. With the pictures to prompt them, they must try to repeat the correct words to match the pictures that they see. Words and pictures are grouped according to a series of themes that include On the Farm, In the Classroom, At the Zoo, At the Beach, and others.

Customer Reviews

Coming from Italy and being an Italian teacher I found this book to be very helpful in teaching young students common Italian vocabulary. The sentences on the right-hand side are very helpful too to complete your lesson and enrich the vocab by adding easy to remember verbs. I like the fact that the words are organized by category/places. Barbara Stefanacci. [...]
