Way-Cool French Phrase Book

Synopsis

Be cool in French! The popular phrase book for kids in-the-know is now available in full color. Perfect for kids eight- to fourteen-years old, Way-Cool French covers the latest in kid language as it is spoken in the French-speaking world. Inside you will find out how kids in another country talk about their computers, how they text each other, and how they speak about their favorite music on their iPods. Includes words and phrases on topics such as numbers, greetings, weather, time, as well as the cool language you really want to know like the words for mobile phones, computers, music, comics, clothes, sports--even the Wii and avatars!

Customer Reviews

bought this for fun for a 2nd grader. she thought it was a good book and interesting. it teaches small phrases and words, which is what we wanted.

It's a great book with cute drawings and wonderful phrases in French. The only part I'm not completely thrilled with is the pronunciation guide.

I've used these books in my teen French class. They love it!
