Customer Reviews

This planner is beyond awesome! I received it as a gift and it will work perfectly in sync with my therapy journal/planner that I use to keep up with my physical therapy. I just so happened to receive a call scheduling an appointment a few hours prior to receiving the shipment that contained this planner so I was immediately able to utilize the first page of the weekly layout. The paper is of exceptional quality which is something I've come to expect in books from Peter Pauper Press. It stands up to my gel pens and also works great with colored pencils. I definitely would recommend

this to anyone who finds it easier to keep track of their appointments and deadlines by putting pen to paper.

This is the cutest darned planner ever! The planner has different gold sparkly reflective surfaces intermixed (not shown in the picture) AND IT IS SO CUTE. I love it and I can't wait to plan and color inside!!!

Home desk calendar, and very nice quality. Plenty of space to write each day. Peter Pauper Press has not let me down yet!

I absolutely love this! It's nice and compact, and just beautiful. Makes planning my school days fun.

Super Cute...Just the right size
