My little brother is so fascinated with random facts. Facts, facts, facts! He's always looking up new ones to share with everyone. Now, he gets a new one every day! He loves this fact a day calendar. I'll definitely buy him one every year. Some of the facts are so bizarre! I've never even heard of a lot of them. That makes it all the more exciting, not only for my brother, but for all of us, because he likes to read them off to us every day. I'm so happy with this calendar, and so is my little brother!

I will be buying this calendar as long as they make it. Every day, I am amazed by a wide variety of facts, many of which I share with others. Peeling off a new page and reading an interesting fact is a nice way to start the day.

Some of the facts are fun and interesting, but some are not facts at all. I've looked up several of the "facts" and found that they are not true.i.e. April 22 ".....Alaska is the easternmost and westernmost state in the US"The plastic stand is inferior to other daily calendars I've purchased.

Fun daily fact is something to look forward to. Some of the facts are disappointing or don't really seem like a fact, but it's still a fun daily calendar overall.

I bought this for work & everyone seems to enjoy it. I haven't fact checked all the facts, but they seem to be legit & based in truth.

Not all of the facts are facts. I've found four "facts" that are incorrect, and it's only February.

My parents got this for my sister as a Christmas gift and we all really enjoy reading the facts each day!

Fun to look at every day. I can hardly believe some of the bizarre facts on the calendar.
