Customer Reviews

I don't like this calendar and I won't be purchasing it again. The paper is too shiny and pencil marks don't show up well. Erasures are not clean. The puzzles are difficult, so you need to put the little tick marks to keep track of what you're doing, but it just doesn't work out well with this puzzle. The puzzles are complicated, so they take up a lot of space on the page. As a result, the grids are small. I wouldn't recommend this calendar, and I won't be purchasing it again.

i love these puzzles. The paper is glossy though. Not eraser friendly.

Perfect gift to help stimulate the mind. Thank you for having this available at the right time.

I love this sudoku calendar format. The variety of puzzle formats and the size and portability of the calendar itself are exactly what I prefer. Well worth the price. Delivered quickly. Perfect.

i get this calendar every year. a different and varied puzzle every day.

Arrived on time. I buy this every year and my husband just loves it.
