Age Range: 8 - 12 years

Grade Level: 3 - 7

## **Customer Reviews**

It's wonderful to see a manga based on the awesome X and Y games to come out so recently! It's also at a wonderfully cheap price. This manga is awesome and I'm looking forward to the new volumes being released! Pokemon for life!!

It's a great start to another Pokemon adventure series. I have red/green - ruby/sapphire pokemon adventure book, so I really love these books. It's a shorter book, like the black/white adventure books. It's not bad for 5 bucks. In the first book you are introduced to the main characters, x and y, the legendary pokemon, Xerneas and Yveltal, and the new mega evolutions.

My son gave this a 5 star he is really into Pokemon and it arrived today and he hasn't put it down yet. The cover was on a little funny but as long as he is happy don't mind that. Like cover was put on backwards. It is sturdy. Arrived as indicated.

Unbeatable price. Good read. Arrived quick and in good condition. It's a keeper.

he liked it

I love this because my son is learning to read and his biggest interest right now is pokemon =)

A champion afraid of the spotlight. This series has tremendous promise.

My daughter really enjoyed this book!
