Customer Reviews

Short but sweet. Leafstar faces the struggle between her occupation as clan leader and motherhood. Her mate, Billystorm is a good father and a supportive spouse. We get background on Sol's kitten hood which gives us another side to Sol. Sol wants to be warrior but lacks willingness to learn or an understanding of what loyalty means. The Skyclan encounters other problems. A short but good read. I recommend it to any Warriors fan. I buy all the Warriors books because I do not want to miss any of the stories. The graphic novels are short but give back stories on characters and reveal stories in between the regular books.

I bought these books for my 10 year old daughter... But my 12 year old son liked them too. Buy them all at once as they read them back to back.... And because they are a comic book style ...

They are quick reads.

Book arrived in excellent condition. Very fast shipping. Ordered for my daughter. She enjoyed it. Her only complaint was that the book needs to be longer. She finished it in less than an hour.

its epic! the best manga series ever! I read almost every book in the warriors series and I loved them all top 51:tallstars revenge2: crookedstars promise3:bluestars prophecy4:hollyleafs story5:yellowfangs secret

My daughter LOVES these books. She has all of them and rereads them frequently. The book arrived very quickly and in perfect condition.

I really enjoyed the art in this book and the way emotion registers on the face of the characters that goes along with the dialogue

i read this book i just love it so much i may reread it once more thank you so much

Reward your kids with the joy of books at an awesome price. Having your kids read all the books they want and having them start a collection for their own library is priceless. This by far was a great find compared to barnes and noble prices- by far!!!
