Customer Reviews

I bought two of these..one for my almost 7yr old daughter who is a huge yokai watch fan and one for her BFF(whom she got him into yokai watch lol) it's a reader 2,so alittle advance for both of them(her BFF just turned 6) but they love looking at the pictures and reading what they do know!One reason i got this is because in January my daughter told me she was gonna make a book called "yo kai are real" ..she literally did make that book,she drew yo kai and wrote about them and stapled it all together as a book,made a couple of copies and gave them to her friends ^ At the time this book wasn't even an option for pre-order so when i saw it come up on i had to get it..my daughter was so surprised when she received this lolAnyways..this is a perfect book for any little yo kai watch fan!
