## **Customer Reviews**

I have bought this calendar every year since I took up quilting . . . some 14 years, I think. It is more than a beautiful calendar for the quilting enthusiast. There is a booklet attached (and easily separated) with patterns for all of the 12 quilts pictured, along with the titles of the books where they and other quilts in the same category may be found. I love this calendar and have found many quilt patterns that I have used or adapted. On a practical note, the stock used allows for easy writing with any kind of pen or pencil. Nothing more tiresome than a calendar which is impossible to write on.

Very nicely done. Recommend this purchase. Really like that the quilt patterns are in separate section. Thank you for a great calendar.

Very happy with this purchase. I look forward to seeing a new pattern each month and each photo is

so cheerful. This is an excellent gift for a loved one who quilts.

Perfect calendar to use and wonderful quilt patterns to add to my pattern collections. Look forward to making some of them!

This is exactly what I was looking for - great quilts are shown and the patterns are included. Should be a fun year

I buy a quilt calendar annually. This is one of the nicest I have purchased. I am enjoying the change each month.

I shopped three other calendars and settled on this one because of the wonderful quilts.

Beautiful calendar, beautiful quilts, thorough patterns, as always!
