## Customer Reviews

Bit of a Rip-Off. This is a 2015 - not a 2016 Calendar, and is functionally useless. My fault for assuming somebody wouldn't be trying to rip off the public - and not reading every bit of the fine print.

The Old Farmer's Almanac, recipe calendar, is always a favorite with friends and relatives abroad. It gives them a little 'taste' of America as well as a calendar with remarkable photos that can be enjoyed all year long.

Beautiful calendar for my kitchen. I hold out on buying one until I can locate one of the Old Farmer's Almanac Recipe Calendars. Even if I never use the recipes, the pictures are beautiful and make the calendar a perfect fit for my kitchen.

Very pretty and useful calendar that will be saved after 2015 is over.

Love all the details and note, will be doing this yearly.

Beautiful calendar with interesting recipes.

my son who is in prison loved it

Nice product as advertised
