The Rainbow Serpent (A Kulipari Novel #2)

Synopsis

Watch the Netflix original series based on the books starting September 4, 2016! The fight to protect the Amphibilands rages on in the second book of this action-packed, illustrated series by former football pro Trevor Pryce. The spider queen and Lord Marmoo of the scorpions still have their eyes and fangs set on the vulnerable home of the frogs, and this time theyâ™ve got some impressive backup: the ghost bats, taipan snakes, and blue-banded bees. The constant threats from the outside are keeping the frog warriors busy, so while Gee and Coorah hold down the defenses, Darel and the Kulipari go in search of their dreamcasting turtle friend, Yabber. Yabber, once found, insists he knows who holds the key to saving the Amphibilands: the Rainbow Serpent. With some powerful new allies and a destiny greater than he could have possibly imagined, Darel may be able to beat his enemies and protect his home once and for all.

Customer Reviews

I was curious to see whether these books were entertaining or just a marketing ploy, but having read through two of them, I certainly am engaged enough to download the third. Good hearted and fun to read - definitely appropriate for kids!

My 11 year old son typically reads because he has to for school and this series is the first that he willingly sits down to read (and is annoyed if he's interrupted). He just got book 3 and hasn't put it down. This series is GREAT!

My 8 year old son loved this book. He is looking forward to the 3rd one!

Amazing work once again! Awesome novel for children and adults!

I read the first book and I couldn't wait for the second book. Now I can't wait for the third book. They're great books and I recommend them to anyone.

My 10 year old son Loves these books. He is excited for the third one and this is coming from a boy who doesn't like to read!
